PERFORMANCE LESS CONSUMPTION. MORE POWER.

Duratec 1.6 Litre Petrol Engine

Performance at its best. SEFI (Sequential Electric Fuel Injection) with twin nozzle injectors delivers exact amount of fuel to avoid lag and makes the Ford Classic a star performer.

Duratorq 1.4 Litre Diesel Engine

Feel the magic in diesel. TDCi with low inertia turbocharger provides great pulling power, amazing drivability and maximum fuel efficiency.

Compact Turning Radius

Stay in control at every turn. The Compact Turning Radius of 4.9m makes the Ford Classic easy to steer, providing better manoeuvrability.

AESTHETIC PERFECTION FROM TIP TO TOE.

Beige Interiors

Enthralling. Exquisitely composed and crafted Beige Interiors add more oomph to your style and make your drive suave. Available only in Titanium variant.

Stylish Radiator Grille

Engaging. The finely designed Radiator Grille redefines the character of the Ford Classic and takes your style statement a few notches higher.

New Alloy Wheels

Elegant. Boldly styled and aggressively sized, new alloy wheels deliver commanding performance on road and confident showmanship even when standing still. Available only in Titanium variant.

COMFORT & CONVENIENCE
AS IMPRESSIVE INSIDE AS IT IS OUTSIDE.

First-in-class Bluetooth® Audio

Supportive. The Bluetooth® enabled MP3 player with CD player, an aux-in and 4 speakers lets you play your favourite track on iPod®, phone and more. Available only in Titanium variant.

First-in-class Programmable Keyless Entry

Intuitive. Key and Remote Central Locking with programmable unlock function. The remote system can be programmed to open only the driver's door with one click and others with the second click or open all doors with one click. Simply hassle-free!

Drive Away Locks

Protective. All doors lock automatically when the car travels at speeds above 5mph. Safety first, isn't it?
Available only in Titanium variant.

Turn Indicators on ORVM

Attractive. With the electrically operated ORVM and turn indicators, get ready to turn heads on the go.
Available only in Titanium variant.

SAFETY

WHO SAYS RESPONSIBILITY CAN'T BE FUN?

Anti-lock Braking System (ABS) with EBD

Peaceful. ABS with EBD (Electronic Brake-force Distribution) gives you complete control over the car, during panic braking or unexpected swerving. Available only in Titanium variant.

Hi-strength Steel Body

Trustful. Strong passenger cells with front and rear crumple zones and side impact beams are designed to withstand accidents, keeping your car stable and the passengers safe.

Driver & Front Passenger Airbags

Insightful. Airbags deploy with help of RCM (Restraints Control Module) which senses the impact during collision. Available only in Titanium variant.

Passive Anti-theft System

Thoughtful. Keep your car in safe hands. This advanced security system prevents the car from being stolen, ensuring maximum security for the Ford Classic.

Hazard Warning during Panic Braking

Watchful. During panic braking, the hazard lights are activated to alert traffic approaching from behind. It helps in maintaining a safe distance.
